

Maine Barrel Racing Association

2010 Sponsorship Form

ABOUT US:

The Maine Barrel Racing Association is a non-profit organization dedicated to promoting sportsmanship, horsemanship and competitive riding skills by participating in timed events such as barrel racing and pole bending at State fairs and exhibition grounds throughout the State of Maine. Our races are watched by a wide variety of people... we know how to draw a crowd!

We feature events in our program including: barrel racing, pole bending, quadrangle, single pole and junior classes. We also have classes for the novice rider and/or green horse. All of these events are based on time, with the horse and rider's ability to complete and maneuver around obstacles without getting penalized or disqualified.

OUR MISSION:

Our clubs mission is to further promote barrel racing, pole bending and other timed events of our organization to the state of Maine. We also help support charities that are close to our club. Each year we host at least one fundraiser show and donate a percentage of the profits to the charity of our choice. This year we have chosen to have a "Tough Enough to Wear Pink" show at Litchfield Fair in support of breast cancer awareness.

WHAT DO YOU GET?:

When you sponsor the Maine Barrel Racing Association an ad from your company will be put in our booklet which gets distributed at each of our shows throughout the State of Maine. There is no charge for spectators to pick up these booklets. In addition, your company's name will be announced at all of our shows and we will host a link to your business on our website; www.mainebarrelracing.com. If you purchase a banner it will be hung on the fence of the arena at each of our shows so your name will be seen at all times!
